

TENTATIVE SCHEDULE

DAY 1: 12 SEPTEMBER 2025 (FRIDAY)

TIME	TOPICS	
0730-0830	Registration	
	MAIN HALL	
0830-0900	Plenary 1: Revolutionizing Trauma Surgery: Breaking Boundaries, Redefining Care	
0900-0930	Opening Ceremony & Welcoming Address	
	MAIN HALL	ROOM 1
0930-1030	SYMPOSIUM 1 Trauma [The First Encounter] The Role of Trauma Surgeons in the Initial Assessment and Stabilization Speaker 1 Trauma Resuscitation Protocols: Standardized or Personalized Approaches Speaker 2 The Impact of Early Trauma Notification Systems on Patient Outcomes Speaker 3 Q&A	SYMPOSIUM A Nurses/Paramedics/Allied Health [Tubes and Drains Everywhere] The Role of Trauma Nurses in Managing Complex Drainage Systems Speaker 1 Advances in Airway Management: Paramedics' Role in the Pre-Hospital Setting Speaker 2 Multidisciplinary Collaboration in Trauma Units: Best Practices for Tube and Drain Management Speaker 3 Q&A
1030-1100	Tea Break and Industry Visit	

TENTATIVE SCHEDULE

DAY 1: 12 SEPTEMBER 2025 (FRIDAY)

TIME	TOPICS	
1100-1200	<p>Symposium 2 Acute Care Surgery (Upper GI Surgery) [The Very Ill Ones]</p> <p>Acute variceal bleeding: From banding to balloon tamponade Speaker 1</p> <p>Perforated esophagus: Tailoring surgery for unstable patients Speaker 2</p> <p>Surgical challenges in post-operative leaks and infections Speaker 3</p> <p>Q&A</p>	<p>Symposium B Transfusion Medicine [A Very Bloody Day]</p> <p>The Evolution of the "1:1:1" Ratio: Is It Still the Gold Standard? Speaker 1</p> <p>Targeted Transfusion Strategies: Individualized Blood Product Use Speaker 2</p> <p>The Promise and Challenges of Hemostatic Agents in Trauma Care Speaker 3</p> <p>Q&A</p>
1200-1300	<p>Symposium 3 Trauma [Multi System Injuries]</p> <p>Blunt Cardiac Injury: Diagnosis and Management Beyond the ECG Speaker 1</p> <p>The Thoracoabdominal Dilemma: My Approach to Managing Complex Chest and Abdominal Injuries Speaker 2</p> <p>Pelvic Fractures: Beyond Hemorrhage Control - Addressing Associated Injuries Speaker 3</p> <p>Q&A</p>	<p>Symposium C Interventional Radiology [Less is More]</p> <p>The Future of IR in Trauma Care: Innovations in Technology and Technique Speaker 1</p> <p>Advanced Imaging in Trauma: Reducing Diagnostic Overlap and Surgical Interventions Speaker 2</p> <p>The Role of Imaging and IR in Guiding Acute Care Surgery Decisions Speaker 3</p> <p>Q&A</p>

TENTATIVE SCHEDULE

DAY 1: 12 SEPTEMBER 2025 (FRIDAY)

TIME	TOPICS	
1300-1430	Lunch and Friday Prayers	
	MAIN HALL	
1430-1500	Plenary 2: Innovative Surgical Management in Malaysia: New Frontiers in Acute Care Surgery	
	MAIN HALL	ROOM 1
1500-1600	<p>Symposium 4 Acute Care Surgery (HPB Surgery) [The Very Septic]</p> <p>Necrotizing pancreatitis: Sepsis management and surgical timing Speaker 1</p> <p>Biliary Sepsis and Endoscopic-Surgical Synergy: A New Paradigm Speaker 2</p> <p>Complex Fistulae in HPB Sepsis: From Source Control to Definitive Management Speaker 3</p> <p>Q&A</p>	<p>Symposium D Pediatrics Surgery [Tiny Tots, Big Problems]</p> <p>Pediatric Trauma Resuscitation: Innovations in Fluid and Blood Product Management Speaker 1</p> <p>Critical Care in Pediatric Trauma: Managing Complex Injuries and Long-Term Recovery Speaker 2</p> <p>PTSD in Children: Addressing Psychological Impact After Trauma Speaker 3</p> <p>Q&A</p>
1600-1630	Tea Break and Industry Visit	

TENTATIVE SCHEDULE

DAY 1: 12 SEPTEMBER 2025 (FRIDAY)

TIME	TOPICS	
1630-1730	<p>Symposium 5 Trauma [The Cutting Edge]</p> <p>Damage Control Resuscitation and Surgery: Next-Generation Approaches Speaker 1</p> <p>AI-Driven Predictive Analytics: Enhancing Trauma Outcomes Speaker 2</p> <p>Point-of-Care Diagnostics: Revolutionizing Trauma Management at the Bedside Speaker 3</p> <p>Q&A</p>	<p>Symposium E Nurses/Paramedics/Allied Health [Collaborative care in TS]</p> <p>Enhancing Communication and Coordination in Trauma Response Speaker 1</p> <p>Training for High-Stakes Teamwork in Trauma Surgery Speaker 2</p> <p>Expanding the Scope of Allied Health Professionals in Trauma Settings Speaker 3</p> <p>Q&A</p>
<p>End of Day 1</p>		

TENTATIVE SCHEDULE

DAY 2: 13 SEPTEMBER 2025 (SATURDAY)

TIME	TOPICS	
	MAIN HALL	
0800-0830	Plenary 3: The Future of Trauma Care: Building Resilient, Multidisciplinary Teams	
	MAIN HALL	ROOM 1
0830-0930	<p>Symposium 6 Acute Care Surgery (Colorectal) [Leaks and Blockages]</p> <p>Minimally Invasive Techniques in Leak Repair: Transcending Open Surgery Speaker 1</p> <p>Acute Bowel Obstruction: Novel Diagnostic Techniques and Decision-Making Speaker 2</p> <p>Controversies in the Management of Colorectal Leaks and Fistulas Speaker 3</p> <p>Q&A</p>	<p>Symposium F Nurses/Paramedics/Allied Health [The first line of Defense]</p> <p>Advanced Pre-Hospital Care and Rapid Decision-Making in Trauma Speaker 1</p> <p>Optimizing Patient Outcomes through Early Nursing Interventions in Trauma Speaker 2</p> <p>Innovative Approaches to Diagnostic Imaging and Rapid Assessment Speaker 3</p> <p>Q&A</p>
0930-1030	<p>Symposium 7 Trauma [Training for TS from different continents]</p> <p>Singapore Thailand Philippines Canada New Zealand</p>	<p>Symposium G Neurosurgery [A Wounded Mind]</p> <p>Management of Severe Traumatic Brain Injury: An Integrated Approach to Acute Care Speaker 1</p>

TENTATIVE SCHEDULE

DAY 2: 13 SEPTEMBER 2025 (SATURDAY)

TIME	TOPICS	
	Q&A	<p>Decompressive Craniectomy: When and How I Decide to Perform This Procedure in Trauma Speaker 2</p> <p>Optimizing the ICU Environment for TBI: My Approach to Monitoring, Supportive Care, and Recovery Speaker 3</p> <p>Q&A</p>
1030-1100	Tea Break and Industry Visit	
1100-1200	<p>Symposium 8 Trauma [In A Difficult Place]</p> <p>Combat and Military Trauma: Lessons Learned from the Battlefield Speaker 1</p> <p>Abdominal Trauma in Obese Patients: Special Considerations and Approaches Speaker 2</p> <p>Trauma in the Immunocompromised: Managing Complex Infections and Recovery Speaker 3</p> <p>Q&A</p>	<p>Symposium 9 Orthopedics and Spine [The Broken Body]</p> <p>Fracture Fixation: Evolving Techniques in External and Internal Stabilization Speaker 1</p> <p>Acute Spinal Cord Injury: New Frontiers in Surgical and Non-Surgical Management Speaker 2</p> <p>Fracture and Spine Trauma in Military and High-Energy Injuries: Lessons Learned from Combat Medicine Speaker 3</p> <p>Q&A</p>

TENTATIVE SCHEDULE

DAY 2: 13 SEPTEMBER 2025 (SATURDAY)

TIME	TOPICS	
1200-1300	<p>Symposium 9 Trauma [Competing Interests]</p> <p>Interdepartmental Collaboration and Conflict: Competing Priorities Between Trauma and Other Services Speaker 1</p> <p>Aggressive Surgical Interventions vs. Conservative Management: Ethical Considerations Speaker 2</p> <p>Trauma Systems and Resource Allocation: Striking a Balance Between Capacity and Care Speaker 3</p> <p>Q&A</p>	<p>Symposium I Intensive Care [Fighting For Every Breath]</p> <p>Innovations in Mechanical Ventilation: Beyond Conventional Ventilation Modes for Trauma Patients Speaker 1</p> <p>Managing Trauma-Related Respiratory Complications: From Pulmonary Embolism to Chest Trauma Speaker 2</p> <p>Multidisciplinary ICU Care: A Team Approach to Optimal Respiratory and Sedation Management in Trauma Patients Speaker 3</p> <p>Q&A</p>
1300-1400	Industry Lunch Talk	
MAIN HALL		
1400-1430	Plenary 4: Post-Trauma Care in Malaysia: Overcoming Obstacles and Enhancing Rehabilitation	

TENTATIVE SCHEDULE

DAY 2: 13 SEPTEMBER 2025 (SATURDAY)

TIME	TOPICS	
	MAIN HALL	ROOM 1
1430-1530	<p>Symposium 10 Acute Care Surgery (Thoracic) [Chest Under Pressure]</p> <p>Blunt Thoracic Trauma: Rethinking Management of Rib Fractures and Flail Chest Speaker 1</p> <p>Inhalation Injuries: Early Diagnosis and Management in Trauma Speaker 2</p> <p>Hemothorax and Pneumothorax: When to Intervene and Evolving Technologies in Drainage Speaker 3</p> <p>Q&A</p>	<p>Symposium J Free Paper Oral Presentations and Judging</p> <p>Paper 1 Paper 2 Paper 3 Paper 4</p> <p>8 minutes of presentation, 4 minutes Q&A for each speaker</p>
1530-1600	Tea Break and Poster Judging	
1600-1700	<p>Symposium 10 Trauma [My Way, How I Do It]</p> <p>Beyond the Scalpel: My Philosophy of Surgical Decision-Making Speaker 1</p> <p>Damage Control Surgery: My Approach to Balancing Life and Limb Speaker 2</p>	<p>Symposium K Trauma Surgery Enigma [A Thousand Ways To Do It]</p> <p>Strategies for Coordinating Surgical Priorities in Polytrauma Cases Speaker 1</p> <p>When to Operate in Trauma-Related Sepsis: Uncovering the Timing Enigma Speaker 2</p>

TENTATIVE SCHEDULE

DAY 2: 13 SEPTEMBER 2025 (SATURDAY)

TIME	TOPICS	
	<p data-bbox="376 501 847 656">Mentorship in Trauma Care: My Approach to Guiding the Next Generation Speaker 3</p> <p data-bbox="579 701 647 734">Q&A</p>	<p data-bbox="959 483 1493 638">Redefining Criteria for Laparotomy in Blunt and Penetrating Abdominal Trauma Speaker 3</p> <p data-bbox="1195 683 1264 716">Q&A</p>
<p data-bbox="703 835 890 869">End of Day 2</p>
